

## **FLBC BOWLER PROTOCOLS 2020**

- Use COVID-19 pre-screening tool prior to coming to play. If you are feeling unwell, regardless of the symptoms, stay home.
- All members who wish to play or access the Club facility are required to sign a Declaration of Compliance COVID 19 and a Release of Liability, Waiver of Claims & Indemnity Agreement. Members who do not wish to sign these documents will not be permitted access to the Club.
- Sign up for practice or a game. Bowlers without a pre-scheduled time are not permitted access to the club facility. Do not come to play if it is raining.
- Do not bring visitors with you to your **scheduled bowling time slot**, do not allow public access.
- Bring your own refreshments (water), antiseptic wipes/sanitizer, towel, pencil, and lawn chair.
- Arrive no more than 5 minutes before your scheduled time, and leave promptly when you are finished. Sanitize your hands upon entry. Log your arrival and departure time.
- Maintain physical distancing by staying a minimum of two metres (six feet) away from each other at all times. Yellow Phase: For close family and friends, please limit your close contact at all times. Do not shake hands or high five. Do not visit with other people, stick to your assigned rink.
- Rubber gloves and rags will be available to sanitize equipment.
- Do not access closed spaces or equipment. The kitchen is closed to use.
- Only one washroom is available for use. Do not enter the washroom if there is already someone else inside. Sanitize after use. Use proper hand washing and hygiene techniques.
- Use your own bowls. If using your own bowls, they must be stored in your car. If you use club bowls, ensure they are sanitized prior to and after play. Do not touch or share someone else's bowls or equipment.
- Mats/Pushers: Designate one person to handle a mat and/or pusher for the entire game (not per team) at each end. The designated person should ensure the mat and/or pusher is sanitized before and following play. For the mat, the lead can give length instruction. Place the mat a minimum of three meters from the ditch to ensure physical distancing. Otherwise, kick your bowls in or pick up your own bowls.
- Jack: Two jacks per game, one for each lead to be handled only by the lead. Ensure use of antiseptic wipe or launcher, prior to picking up and delivering the jack. The skip must use a pick-up tool or foot to set the jack. No one else touches the jack.
- Measuring: Only one person measures the bowls and sorts out the bowls that have scored. A pick-up tool (UBI launcher) or foot can be used to move the bowls around.
- Do not use scoreboards, screens nor picnic tables.
- Do not sit on a bench more than one person at a time.
- Should you not follow safety precautions or other guidelines, you will be advised and may not be allowed to return to play this season. Keep yourself and everyone else SAFE.
